The Wooster Music Camp wishes to thank all parents and students for their support. We are honored to have served these talented young music students during the past five days and we hope that they will continue their musical development for many years to come!

MENC: The National Association for Music Education has coordinated an effort called the National Anthem Project. According to research, two out of three Americans do not know the words to the Star Spangled Banner. By encouraging music teachers across the country to teach the National Anthem to their students as well as the wider community, MENC hopes to spotlight the important role of music education in our school. As a way to assist the music teachers on our staff in this effort, please join us in singing the Star Spangled Banner at the beginning of our evening concerts tonight! For more information on the National Anthem Project, please visit the MENC website at www.menc.org.

The Star Spangled Banner

O say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say does that star spangled banner yet wave
O'er the land of the free, and the home of the brave?
